Welcome to the first newsletter from the Vision 20/20 leadership.

We want to thank all the school districts, organizations and individuals across the state who have pledged their support to the children of Illinois by supporting our initiative and vision for the future.

Our first set of legislative bills are in the system and we will need all of your support to get those measures passed by the General Assembly. State legislators need to hear from their constituents--so look for our legislative alerts and take action!

Add us to your list of contacts and follow us on Facebook and Twitter. Help us grow our network of support by referring your contacts to our website at http://illinoisvision2020.org.
