

## SHARED ACCOUNTABILITY

### SUPPORT – MANDATE RELIEF

**HB 440 (Ives, R-Wheaton)** and **SB 1523 (McCarter, R-Lebanon)** allow school districts to provide daily physical education instead of requiring this curriculum.

**HB 663 (Morrison, T., R-Palatine)** allows a school board, if State funding payments have been delayed for at least one payment cycle, to discontinue any curricular or instructional mandate by publicly adopting a resolution.

**HB 670 (Morrison, T.)** and **HB 2443 (Bennett, T., R-Pontiac)** provide flexibility regarding the drivers' education mandate by allowing school districts to contract such education with a commercial drivers' training school and to allow for proficiency examinations and driving simulators.

**HB 793 (Demmer, R-Rochelle)** allows a school district to discharge any mandate or requirement in the School Code or ISBE administrative rule that is unfunded after holding a public hearing. The school board must report each mandate discharged to the ISBE.

**HB 2444 (Bennett, T.)** deletes the burdensome provisions regarding a school district that wishes to contract with a third party to provide non-instructional services to the district.

**SB 756 (Morrison, J., D-Deerfield)** allows freshman and sophomore high school students to also be eligible to excused from the physical education requirement under certain circumstances (now just junior and senior high school students).

**SB 1712 (Barickman, R-Bloomington)** contains the mandate relief provisions for third party contracting, physical education, and drivers' education.

## Need More Information? Contact the Alliance Lobbying Team!

The Illinois Statewide School Management Alliance is the combined advocacy efforts of the four statewide school management organizations: the Illinois Association of School Boards (IASB); the Illinois Association of School Administrators (IASA); the Illinois Principals' Association (IPA); and the Illinois Association of School Business Officials (IASBO). With the resources of the four organizations, there are eight full-time legislative specialists that work in the Capitol on each session day and directly lobby the legislature on behalf of Illinois' public schools
